FACTORY-TO-FAMILY PRICES

The retail prices herein quoted are in all cases extremely low, yet they are double the actual cost to one who purchases an assortment of Larkin Soaps, Perfumes, Toilet Articles, Coffee, Teas, Baking Powder, Extracts, Starches, etc., (of his own selection,) to the total value of \$20.00, our price being only \$10.00. To customers choosing a Larkin Premium and \$10.00 of retail value in Soaps, etc., the saving still remains one half of retail values. Any order to the Larkin Co. of a retail value of \$10.00 means a saving to the purchaser of one hundred per cent. effected by direct Factory-to-Family dealing, which eliminates all middlemen's profits and expenses.
